- 1.) "Assimilation leads to life transforming by giving people the means to become maturing followers of Christ. Assimilation can be defined as the process used to encourage your first-time guests to continue coming back until they see and understand God's power ... and commit themselves to the local church through membership."
- 2.) A numbers game; "We DO (emphasis mine) about numbers! Why? Because every number represents a life." "The number of new members you have is a reflection of the number of new lives in your church that belong to Christ."
 - Question: is this an assumption that the people who are 'guests' not already believers/followers of Christ?

2. Attach your documents (if you choose to use handwritten notes, you can scan them in and send) to an email. Please put **YOUR NAME** and "**Session ___**" in the subject line. Email to info@epochchurchleader.com. (examples below):
