

2016 LEAD/SOLO PASTOR COACHING COVENANT

Thank you for participating in ECL Pastor Coaching. As a Solo or Lead Pastor you will be viewed by those in your church and community as a leader in the Christ's Church. As a result, we ask that you enter into covenant with the other ECL Pastor Coaching participants by making the following commitments:

- I will embody and reflect the values and principles of Biblical Leadership and a Biblical Church model and will follow the leadership of Stan Pegram and his team.

- I will faithfully attend ECL Pastor Coaching Live Coaching sessions on a monthly basis.

- I will make ECL Pastor Coaching a priority by:
 - Being on time for all sessions
 - Preparing beforehand for my live coaching each month
 - Turning off media / cell phone / Facebook during coaching sessions so that I and those around me can stay focused on Kingdom Agenda
 - Being willing to make changes in my life and churches (as hard as they may be) as needed

- I will strive to create an environment of support in my coaching network. As a result, I will:
 - Pray for the individuals in my coaching network.
 - Provide encouragement and gentle guidance as needed to the other pastors.
