Dear _____,

On behalf of everyone at BMZ Church, I want to let you know how much we appreciate your recent financial contribution. According to our records, this may have been your first recorded gift toward BMZ Church and we want to thank you for taking this step.

BMZ Church is a membership supported church and we do all we can to maintain the highest levels of integrity with the resources God gives us through the tithes and offerings of people like you. Examples of steps we've taken include establishing policies for secure handling and counting of weekly offerings, providing giving statements four times annually, preparing an annual budget that is adopted by our membership, and providing detailed monthly financial statements to our Administrative Council for their review and approval.

Your contributions go directly toward funding the ministries of our church. Through your faithfulness, you are assisting us in fulfilling our purpose of "building environments where the unchurched, de-churched and over-churched can become deeply committed Christians" through the strategy of "Know God. Love People. Serve the World."

Specifically, we see people committing or recommitting their lives to Christ every week. Our Sunday School program supports over 100 children from pre-K through 6th grade, not counting our Jr. and Sr. High. We are operating a food program that feeds kids in our community on weekdays throughout the summer. Our Food Pantry serves about 30 families per month. We are supporting orphanages in Myanmar/Burma and Cambodia that house a total of more than 100 children and a Christian seminary in Myanmar that is training young pastors to launch new churches in a country that is 4% Christian. When you give to BMZ, you are truly helping "Change the World for Good One Child at a Time".

We are grateful for your financial support of BMZ and are encouraged by your confidence in our ministry. May God continue to bless you!

Sincerely,

Stan Pegram, Lead Pastor
